WELL, WERE BACK AGAIN ! BETTER LATE THAN NEVER I SUPPOSE ! WHAT EXCUSE HAVE WE THIS TIME ? FIRSTLY, DUE TO THE SUMMER HOLIDAYS I SIMPLY COULD NOT BE HERE, AND OUR FORMER EDITOR BRIAN MC AULEY WAS THEN AND STILL IS INVOLVED IN A HEALTH EDUCATION PROGRAMME FOR THE NORTH WESTERN HEALTH BOARD AND SO COULD NOT AFFORD THE TIME.

SECONDLY I AM ATTENDING A REMEDIAL EDUCATION COURSE IN DUBLIN SEVERAL TIMES THROUGHOUT THE YEAR I LEAVE FOR THE SECOND PART ON JAN. 11TH TILL THE END OF THAT MONTH. THESE ARE FACTORS I COULD NOT HAVE FORESEEN. I APOLOGISE ESPECIALLY TO OUR OVERSEAS SUBSCRIBERS, MANY OF WHICH HAVE ALREADY PAID THEIR SUBSCRIPTIONS, WHICH PLACES THE 'LIAG' IN THEIR DEBT FINANCIALLY, - I ASSURE YOU OUR COMMITMENTS WILL BE MET, BUT IN THE LIGHT OF THESE DEVELOPMENTS I CANNOT GUARENTEE THAT THE 'LIAG' WILL BE PUBLISHED ON A REGULAR BASIS, WHICH IS REGRETABLE BUT CANNOT BE HELPED, WELL THAT'S THAT!! MAYBE SOMEBODY OUT THERE WOULD LIKE TO HELP WITH A JANUARY ISSUE - ANY OFFERS ???

## CHRISTMAS LIGHTS IN CARRICK:-

FOLLOWING THE OUTSTANDING SUCCESS OF THE 'FLEA' THE ENERGETIC COMMITTEE INVOLVED HAVE NOW LAUNCHED ANOTHER CAMPAIGN TO HAVE CHRISTMAS LIGHTS INSTALLED IN CARRICK STREET AND THE INEVITABLE CHRISTMAS TREE. THIS IS A REALLY GREAT IDEA AND DESERVES A LOT OF SUPPORT. A MEMBER CIRCLE IS NOW UNDER WAY - FIRST DRAW 10th DECEMBER LIMITED TO 300 MEMBERS. SO HURRY UP AND BOOK YOUR TICKET NOW !!

## keeping in shape

THE THOUGHT OF SITTING DOWN TO THE CHRISTMAS DINNER AND DEVOURING ONE OF PEADAR HEAGARTY'S DELICIOUS TURKEYS IS A MOUTH WATERING EXPERIENCE AND SOMETHING TO SAVOUR AND RELISH. BUT I WONDER HOW THE FEMALES OF CARRICK AND KILCAR WILL VIEW THE FORTH COMING FESTIVE SEASON WHERE "TOGHA GACH BIDH AGUS ROGHA GACH DIGH" ARE THE ORDER OF THE DAY, IS THE LIGHT OF THEIR DEDICATED KEEP FIT AND SLIMMING CAMPAIGNS. ALAN DURANT AND PETER MOLLOY ARE THE INSTRUCTORS - I HEAR THE EXERCISES ARE TOUGH, ! - MILITARY STYLE !!! THE FIRST COUPLE OF NIGHTS PADDY SAYS "IT WAS BLUE MURDER" - THEY COULDN'T GET OUT OF THE EXERCISE HALL QUICK ENOUGH WHEN TEN O CLOCK CAME. BUT NOW HE TELLS ME THAT THE RUSH ONLY RESEMBLES "THE CHARGE OF THE LIGHT BRIGADE" THERE'S QUITE A LARGE TURN OUT EVERY TUESDAY NIGHT. ON THE KILCAR FRONT THE SAGA OF THE "MINI MIRAC" CONTINUES. NORA KENNEDY TELLS ME THERE ARE MANY "OUTSTANDING FIGURES" INVOLVED. FAIR PLAY TO YE GIRLS. THEY SAY NOW IT WAS 'DYNASTY' THAT BROUGHT ALL THIS ON. MOVE OVER SUE ELLEN !!!! I HEAR EDIE LOOKS GREAT IN SHORTS !!!!!

THE CARD SEASON IS ONCE AGAIN TO THE FORE, IMMEDIATELY THE MOST FAMILIAR HOUSEHOLD NAMES LIKE SEAN DORRIAN, CHRISTY JOHN HILE AND CHARLIE CUNNEA SPRING TO MIND. BUT GRABBING THE LIMELIGHT THIS YEAR ARE THE 'YOUNG' TALENT - PADDY BAN MALONEY, THE LOW MAYOR, PHONSIE DOHERTY, GERARD MC BREARTY AND TERANCE CUNNINGHAM. THE 'SHARKS' ARE HAVING A LEAN TIME OF IT. IT LOOKS LIKE SOME OF THEM WILL HAVE TO ACTUALLY 'BUY' THE CHRISTMAS TURKEY THIS YEAR.....I HEAR MICK KENNEDY KILCAR HOUSE PASSED THE DRIVING TEST LAST WEEK - CONGRATS - BUT WASN'T IT TIME FOR HIM - SAYS MICHAEL CARR - THE YANK'S BIGGEST PROBLEM WAS GETTING USED TO THE LEFT HAND SIDE OF THE ROAD.....SPEAKING ABOUT CARR - DANNY TELLS ME HIS NEW HOUSE IS NEARLY FINISHED - SEPT DOWN!!! THEY SAY HE TRAINS 'LONG INTO THE NIGHT' IN BALLYBOF AT THE COUNTY TRAINING SESSIONS. MORE POWER TO YE SON!!!..... CON GARA (GLEN) HASN'T BEEN SEEN AROUND SO MUCH LATELY - THE LATEST IS THAT HIS BRAIN IS HALF TORTURED SINCE HE BOUGHT THE RUBIC CUBE A FEW MONTHS AGO.....FROM LONDON - 'THE RED F' HAS SEEN THE LIGHT AND JOINED THE SALVATION ARMY ON A TEMPORARY BASIS. THAT'S ENOUGH TO MAKE THE TURF IN GROVE TURN BLACK!!! HUGH DOHERTY STRALEEL PICKED UP ANOTHER TURKEY (25) IN MC GIN RECENTLY.....I WAS OUT IN THE NEW SAIL INN RESTAURANT KILLYBEGS LAST WEEK. IT REALLY IS TOP CLASS - PRICEY! BUT GREAT VALUE FOR MONEY.....ABOUT THE NEW HOUSEWIVES BENEFIT OF £9.60 WEEKLY TO BE INTRODUCED EARLY IN THE NEW YEAR MY GOOD FRIENDS DANNY NEILL (COTTAGES) AND JOHN GILLESPIE (SLOAN) SAY 'ITS A GREAT THING' - 'THAT IT SHOULD HAVE BEEN BROUGHT IN LONG AGO! AS CHARLIE CUNNEA (STRAFAN) SAYS 'SURE DOESN'T THE SHEEP BOUNTY!! - WHY SHOULDN'T THE WOMEN'!!!.....I HEAR YOUNG PAUL BYRNE CAUSED A BIT OF AN UPROAR OUT IN THE GLENMALIN FACTORY WHILE BACK. BEING A BIT OF A TRUE BLUE KILCAR SUPPORTER HE'S ABOUT MAKING A KILCAR JETSEY - OF COURSE WHEN THE PATRIOTIC GLEN LADIES HEARD THIS THEY REFUSED TO LINK IT - IT'S ENOUGH TO PUT A MAN IN "STITCHES".

July 1981,

CATHOLIC MISSION, FIANGO,  
P.O. BOX 114 KUMBA,  
MEME S.W.P. CAMEROON,  
WEST AFRICA.

The following is part 1 of a  
interesting letter sent in to  
Fr. J. A. Boyle (Brother of I  
Sweeney, Straleel) Describing  
missionary life in Africa.

Greetings from Cameroon, West Africa, to all readers of  
'AN LIAG'. Its 7.15 a.m., Sunday morning, July 31st.  
I have just returned to my room after celebrating the 6 a.  
Mass at the Parish Church here in Fiango. There were about  
350 people at this Mass. After Communion everyone started  
screaming and running in all direction out of the Church.  
The priest, not to be caught on a sinking ship either also  
found the nearest exit. After a while every one reassembl  
and Mass ended in the normal way. There is conflicting  
information as to what happened. Some say it was a snake  
that decided to find its way into the Sunday celebration.  
Others say somebody fainted. Anyway every one 'went forth  
in peace' and we all lived to fight another day. This is  
Africa and I can never see the day when the congregation o  
Carrick, Glen, Kilcar or Meeneneary will have to flee from  
Church because of snakes.

Well many a time I was asked in Carrick when I was going?  
am here, and gradually settling down in the Parish of Fian  
Fiango is a Township with a population of about 80,000 peo  
There are 23 out stations from the central parish here. Th  
total catholic population is about 17,000. There are two  
Cameroonian priests in the parish with me. The P.P. is  
Monsignor Lucas Atang whom I knew from University days in  
Dublin. The other priest's name is Fr. Edward Ngelme. He  
is three years ordained and was taught right through the  
Major Seminary by Fr. Maurice McGill from Maghera.

As you can see from the number of catholics in this parish alone the missionaries of today cannot assume that all the work is beginning with them. The missionaries who went before us have built up the christian communities that we today are coming to minister to. Three of us in the parish of Fianco cannot minister properly to 17,000 people. A lot of our parishioners are at the out stations and very often during the rainy season especially, it is impossible to get out there on any regular basis, When I get to know the language a bit better I intend to preach not to the multitude but to the few in the areas that I will be responsible for. A small group properly instructed in what true christian living is about could minister to the whole community and build it through teaching into a true christian community.

The people here are very friendly. As soon as they heard the new 'fadder' had arrived many of them were around to greet me. The children are really pleasant. They just swarm around you and get shaking hands. There is a very young population in this country. Out of a total population of 8,000,000 I'm told that 60% is under 20. The life expectancy here is a lot lower than at home. This is due to the heat, food and maybe lack of proper medical facilities. There are a lot of old flies around to that carry various diseases. If there is not proper medicine to counteract this then death can be at quite a young age. The native food is not exactly what someone from Inver has been used to all his life. It's good food but I think sometimes it's better as 'athar machnaimh in eit greim lena ithe'. I was really brave when I came here first. I ate a lot of native food. I bore the consequences. For a few days it was as if I drank a pint of Castor oil. May I add an awkward situation to be in here as the necessary in such situations are not always the most plentiful. I recovered eventually and I stick to a more traditional diet. The cooks now prepare some potatoes, meat and vegetables for one meal each day. Fruit is very plentiful. Oranges, bananas and any kind of fruit you ever saw or heard of is just growing around the gardens here.

## \*\*\*\*\* BASKETBALL \*\*\*\*\*

Carrick won first ever Basketball Championship U-16.  
Having qualified from the southern section of Donegal, Killy  
Glenties, Ballyshannon, and Bundoran, the semi-finals of this  
competition were not played in the 1980/81 school year. On a  
poorest morning weather wise of the term the U-14 and U-16 teams  
travelled to Letterkenny for their respective semi-finals.

The U-14's bowed out to a very good St Eunan's team by 10  
baskets. It was not their day as shots were coming off their  
right through the match, and the usually accurate J.J. Doherty  
and R McShane weren't on song. Despite this they put up a very  
good performance and with more practice in these big gym's they  
would be very difficult to beat.

The U-16's faced a very good Glenties team in the final  
was backboned by five of the Ardara team which represented Do  
in the All-Ireland Community Games last year. Glenties had to  
a very strong Buncrana team to reach the final.

Carrick began very well with M. Molloy, D. Erskine and  
defending and rebounding strongly. Neil Cannon and Sean McLo  
chased and harassed the Glenties defence into numerous errors  
Highlights of the match were D. Erskine's long shots, four of  
scored. Michael Molloy, Neil Cannons and Sean McLoughlins de  
nation and control of the ball right through the match. The  
catching of Pat Byrne and Brendan McGinley left little passio  
the big Glenties players. All in all a great team performance  
with only six minutes of the game remaining Carrick were in a  
by 5 points and to eventually won by 3 points was a magnificent  
comeback.

ENVIRONMENT

Perhaps it would be appropriate at this time of year to take a look at one of our largest native predators, viz the fox (*Vulpes vulpes*). The fox has been known from the earliest time for its cunning and shrewdness whether in pursuit of food or eluding capture.

When myxomatosis decimated the rabbit population of Britain the fox turned to its other sources of food, mainly the field Vole. In Ireland due to the non-existence of the field Vole studies showed that after the arrival of myxomatosis rats became the main alternative diet of the fox. J.S. Fairley Irish Beast Book because of the preponderance of smaller fields and additional cover of hedges and ditches, which promote the Rat population, they have become a more common item in the fox's diet, even when rabbits are readily available.

This would explain the survival of the fox in years when rabbits became very scarce. The dependence of the rat on fox leads to its own natural elimination through 'Weils Disease' (spirochaetal jaundice), a disease associated with rats.

Apart from the commendable job of eliminating rats, the fox also disposes of a large amount of carrion, dead sheep etc left unburied in the hills. Much destruction is attributed to the fox in the lambing season, a good portion of which could be due to domestic dogs, wild mink or mismanagement by the farmer of his flock. The 'vanished lamb', which is generally attributed to the fox, is very often a dead lamb at birth through starvation and cold.

The practice of poisoning lands for foxes is dangerous to forms of wild life, domestic animals and even humans. As with most wild life species the least interference by man allows for its own natural controls to function.

Co. Council have stated that a misunderstanding on the part of

due to the confusion and delay. The council could not entertain  
the revision of Mr. Molloy's price for extending the service to

## Letters to our readers

### GARBAGE -- Some tips.

For those of us who do not have the benefit of a Bin Collection Service, dealing with refuse and waste material is very important if we are to play our part in preserving the amenities of our countryside.

The following suggestions may prove helpful:-

All household scraps should be wrapped in paper or packed into small cartons. The new litre milk cartons are ideal for this purpose. These packages should then be burned in the range or open-fire. Never throw waste food outside as this may encourage rats.

Papers, cartons, plastic containers etc. can be burned in a garden bonfire.

Tins, after they have been opened and emptied, should be washed out and then open the other end, place the two ends inside the tin and put your foot on the side of the tin which will squash flat quite easily. If these tins, also bottles and other unburnable material are put into a large carton this can then be periodically taken to the Council dump. The dumping of such waste in ditches at the roadside is to be greatly deplored. There are some folk who favour dumping in a river or in the tide but let no one think that because their refuse has departed from their sight that it has gone for ever because inevitably it will turn up somewhere else as witnessed by the tide line on our beaches and the unsightly state of the shore at the junction of the Glen and Yellow Rivers.

## HANDBALL

### NEW HANDBALL ALLEY IN GLEN

A new milestone in Glen G.A.A history was reached with the opening of the beautiful new indoor handball alley in Malinmore on Oct. 26th last by the Aire na Gaeltachta. Once again great credit is due to the hardworking members of the Glen G.A.A. The alley is open to all, young/old, male/female, at various times. It's the most modern type of handball alley in the province. New members are always welcome and enrollment subscriptions can be paid quarterly, half yearly or yearly to any member of the G.A.A committee.

At present the handball alley committee consists of -

Norman Blain - chairperson.

Aodh Mc Guire - secretary.

Brian Byrne - treasurer.

A competition was held recently in conjunction with national handball day, in which Antony Reilly Kilcar defeated Finin Mac A'Bhaird in the final in what I was told a titanic struggle. The ladies committee consists of -

Bridget Byrne - chairperson.

Sheila Mc Elroy - secretary.

Bernadette Lyons - treasurer.

The ladies also play squash on Thursday nights. Its easy to see however that many have played the game before. After a few sessions the 'old knock' comes back. Young Paddy Hegarty (malinmore), I hear is the man to beat out there at the moment. Other notable players are Finin Mac A'Bhaird, Antony Reilly, Brian Byrne, Seamus Carr, Charlie Mc Garvey, Jerry Breslin, Donal Gillespie and Aodh Mc Guire. Aodh tells me that they hope to enter a team in an all county league soon.

## DARTS

Darts: - The Dart Season is now well under way and the Golden Gate 'A' are making a tremendous impact already. They won the big local derby - out gunning the local rivals Bridge Bar. Kilcar house are also bang in form - and Mick Kennedy says that this young team are going to 'clean up' this year. John Byrne's are also up with the pack as are Enrights.

The in form players at the moment are Dave Enright, Paddy Byrne (Golden Gate) James Mc Ginley (Kilcar House), Cornelius Mockler (John Byrne's) - Funny those names keep cropping up all the time !!!

In the 'B' league its Golden Gate up there on their own and Kilcar house. Golden Gate have a very strong 'B' team this year and are expected to go all the way.

They say they've adopted a "new system" and it seems to be working well. Was Robbie on a recent "spying mission"?? Eamon Gillespie was down in the Bridge Bar last week giving basic tips to the local team!!

The inform players in the 'B' league are Francis Curran(Golden Gate), Danny Moore (Harbour)

Paddy Gallagher (Kilcar House) Brendan Mc Shane (John Joe's) The league welcomes its two additional members John Joe's (Kilcar) I.A.W.S. (Killybegs)

The Golden Gate teams and indeed many of the other teams wish Danny Cunningham (cottages) a very speedy recovery from illness. He's a vital member of the 'B' team. So hurry up and get well Danny you're sorely missed up in the Doc's. I hear there's talk of a certain pub getting in an electronic scoreboard!!!! no details yet!!! No need to give results and tables. They appear regularly in the Democrat thanks to excellent P.R.O. Cathal Donnaghoe(Glen).

The Sunday night competitions in Glenbay are very intense with some great darts being thrown - standard very high.

C.L.C.G. CILL CARTHAIGH:-

Since our last issue Kilcar have once again swept all before them in the league, without losing a game. In the current Shield Campaign they have already qualified with comparative ease into the 'top four' playoff despite a slight hiccup versus Killybegs recently !! They tell me young James Mc Hugh has taken the transition from Junior to Senior Ranks in his stride and is now a vital member of the team at corner back - why wouldn't he - isn't he a Mc Hugh !!! James is just one of many new young faces being blooded in the Senior squad. The club wish to thank Naomh Columba for the generosity in allowing them to use their pitch on a couple of occasions. The Junior side, (I think) are almost assured of a top 4th place in Division 3 Shield. Already this year they reached the County Junior final and giving a good account of themselves before bowing out to a much superior Red Hugh's squad who might I add are essentially a "Senior outfit" !!!!!

With regraded John Quinn and Charlie O Donnell to lend much needed experience to the young lads they may get their chance of revenge in the Shield.

DONEGAL G.A.A SPORTS STAR '81:-

Congratulations to Martin Mc Hugh who received his G.A.A. award as Donegal's outstanding footballer for 1981, at the Milford Inn two weeks ago thus young Micheal Carr another winner in the Hall of Fame. Since his demolition job versus Ardara in the '80's final. Martins club & County career really took off two weeks ago Martin stood at the top of the National League scoring charts, a tremendous achievement. New Ulster Supremo Brian Mc Eniff must surely pencil in Martin's name for the forthcoming Railway Cup Series; together with Finian and Micheal Carr!

WELL DONE FR. SEAN!

CONGRATS TO FR. SEAN GALLAGHER, FALCARRAGH COMMUNITY SCHOOL ON HIS PUBLICATION OF THIS YEAR'S G.A.A. YEAR BOOK. I ESPECIALLY ENJOYED BERNARD COYLE'S INTERVIEW "AS GAELIGE-MAR DHEACH" WITH CONAL O'DONAILL)-GUTH & TUATRIM EDITOR SOME OF HIS QUOTES ARE MEMORABLE- "SCORAIL ME POINTE ON CHIC - OUT ACH DISALLOWAIL AN REF E"- LANDAIL ME AN BAL TAQBH AMUIGH DEN SQUARE" - "GODDA BHI SE GASTA - CHAITHPEA E ' A SANDWICH AIL GO DIREACH" NA H-ABAIR FAIC!!!

WE ALSO EXTEND OUR GOOD WISHES TO SEAN GAVIGAN (CROVE) WHO RECENTLY UNDERWENT AN OPERATION ON HIS KNEE IN SLIGO HOSPITAL. SEAN'S LOSS TO GLEN IS A SEVERE BLOW INDEED AS THE SHIELD ENTERS THE CRUCIAL SEMI-FINAL STAGE.

# Bits and Pieces

I wonder if Mick Kennedy has the cards finished out there at the '25' card drive on the Thursday nights - because Francie Curran (Teelin) doesn't know what to do with all the turkeys he's winning: ..... Not much interest being shown in the badminton in Teelin college this winter - it's a great pity to see such fine facilities being provided and no use being taken from them! - Anyone interested? Contact Editor !!! ..... Now that the euphoria surrounding the Dublin City marathon has died down and that our army of the Kilcar runners has subsided what about forming a club (mens and ladies) with a view to training for next years... What about it?... Any opinions? ..... Pat Gillespie and Finbar Hegarty are the local 25 kingpins in Don Willies, closely followed by Brian Mc Nally. I hear poor Brigid is going to have to invest in a new table... The old ones about to fall apart after all the hammering it's got !!! ..... Paddy Mc Glinchey, John James Mc Guire and Colm Mc Ginley are the men to beat in Kilcar I hear!!! The Glen G.A.A. "got the wild shock" when the jackpot of \$250 went, "long before its time" a few weeks back. Fair play to you whoever you are. .... Nora Mc Ginley had her biggest "25" night yet Fri. week last .... 10 tables!!! The turkeys to Finbar Hegarty, Mickey Breslin and the rest to Kilcar. - Still no Christy - He'll not need to be doing any bur'ing in Creveen this Christmas. .... Young Ronan Cunningham (Carrick) they tell me, "is sheer dynamite with the Rubik Cube - his time 1 minute 27 seconds - can anyone beat that? Maybe we could arrange a challenge match!!! ..... No dart widews in Meenaneary this winter... "ar mbealach a leasa" !!! ..... Some rumblings of discontent aimed at his "highship the Mayor", among his constituents for his failure to speed up the pipe laying in Carrick Street, - Never mind Cathal - that's only jealous because you won the £100 in the Silver - Circle.

## welcome

WELCOME HOME:- TO THE RECENTLY MARRIED JOHN JOE AND FRANCES MC BREARTY, KILCAR WHO HAVE JUST RETURNED FROM TORONTO CANADA. JOHN JOE IS INVOLVED IN THE CARPENTRY BUSINESS AND DOING VERY NICELY - THANK YOU. GOOD TO HEAR FROM THEM THAT MARTIN AND MARY JOE BYRNE ARE DOING WELL. JOHN JOE TELLS ME THAT THERE'S A VERY LARGE IRISH CONTINGENT LIVING IN TORONTO - "A HOME AWAY FROM HOME. APART FROM HIS BUSINESS SUCCESS HE TELLS ME THAT MARTIN IS MAKING QUITE A REPUTATION FOR HIMSELF AS A 'BRIDGE' PLAYER - "DOESN'T IT RUN IN THE FAMILY AND ALSO AS A BIT OF A "QUIZ MASTER MIND".

## HEAR! HEAR!

MICHAEL OLIVER TURNED DOWN A LUCRATIVE CAREER AND CONTRACT WITH 'CHICAGO STING' SOCCAR SQUAD, WHILE ON HIS RECENT U.S. TRIP WITH CAROLANNE, CHRISTY AND JOHN CUNNINGHAM. NO WAY SAYS MICHAEL - GIVE ME A WET DAY IN GLEN AND A HARD TIGHT MATCH AGAINST KILCAR ANY DAY' - MAKES SENSE!!! ..... THERE'S NO TRUTH IN THE RUMOUR THAT CHRISTY JOHN HILE IS TAKING UP 'BRIDGE' BECAUSE OF HIS LACK OF SUCCESS OT '25' ..... I HEAR PADDY BEAG GILLESPIE AND THAT WELL KNOWN G.A.A COMMENTATOR (AS GAELIGE) MICHAEL O'MUIRITHEANTAIGH WERE DEEP IN DISCUSSION AT THE ANNUAL G.A.A CEILI NOR IN THE HIGHLANDS HOTEL A FEW WEEKS AGO - COULD IT BE WE MIGHT HEAR THE VOICE OF PADDY BEAG ON THE 'SOUNDBOX' 'AMACH ANSEO' - NO BETTER MAN FOR THE JOB! ..... ANDREW SERVICE HAS RESIGNED FROM HIS POSITION AS SECRETARY OF THE FINN HARPS SUPPORTERS CLUB - (CARRICK BRANCH) IS IT ANY WONDER - AFTER THE FIASCO IN SLIGO - ANOTHER MAN WHO HAS BEEN IN THE LIGHT.

### 'WALLABIES' ON TOUR.

The touring Australian Rugby football team paid a fleeting visit to the area recently - the purpose of their visit - to see the world renowned Bun Glas of course!! and who better to greet them to Teelin than our own eminent man of words - Teelin's unefficial lord mayor - Mr. Conal Mc Shane. Even Conal was lost for words when seeing the sheer enormity of some of these men from 'down under' who came 'in through' for this historic visit. Eamon Gillespie says 'its a pity we didn't know about them coming - we could have gathered up a team to play them' - Australian Rules football.

**MACKERAL GLUT:** - KILLYBEGS IS WITNESSING ONE OF THE BEST EVER MACKERAL SEASONS, WITH THOUSANDS OF TONS BEING LANDED DAILY. ## IN THE HOLY LAND

Francie and Maggie Maloney, Aghera visited the Holy Land in mid October last as part of an excursion organised by the Raphoe Diocesan Society. They told me that the trip itself was one they will never forget. They visited all the well known spots, Nazareth, Jerusalem, Gasa, the garden of Gethsemane and of course Calvary, which to them was the most moving experience of all. Francie added, referring to the Dead Sea, because of its salt content - 'that it would be hard to drown an elephant in it'. All in all, it was a most memorable trip. Catherine Rose of Killybogs also did the trip.

## WHAT'S UP NURSE

Congratulations to Rosaleen Maloney, Aghera who has just recently completed her studies and is now a qualified nurse. Rosaleen is at the moment attached to St. Joseph's hospital Hackney, London. Many of the local lads are now wondering if she will now take up an appointment this side of the water. Maybe she can put their minds at ease when she comes at Christmas and tells us. Once again congrats Rosaleen.

### 'COWJACKED'

FURTHER TO THE PREVIOUS HIJACKING SCARE IN KILCAR WE HEAR OF ANOTHER ATTEMPT. THE MYSTERY SURROUNDED JOHN MC HUGH'S COW FROM TOWNEY, WHICH WENT MISSING A FEW WEEKS AGO. WELL ACCORDING TO JOHN - SHE WAS NEVER IN THE HABIT OF STRAYING - SO IMMEDIATE SUSPICION SET IN. TRAVELING VETS WERE PUT ON 'RED ALERT' ARMED WITH A DOSSIER CONCERNING THE SAID ANIMAL - (NOS. OF TEETH, COLOUR, NUMBER TAG ETC.) EVERY FARMER FROM CROVE TO KINNAKILLEW WAS CROSS-EXAMINED DURING THE NEXT FEW DAYS!! MICK KENNEDY SAYS TO ME ONE DAY - "I KNOW THE PRICE OF MEAT IS WILD BUT THIS IS RIDICULOUS !!! A MAN CAME TO ME ONE DAY - SAYS HE THEY CAN'T BLAME ME CAUSE IM. A VEGITARIAN." SOMEONE ELSE SAID - "MAYBE IT WENT THE SAME WAY AS "THE CAT AND THE FIDDLE" - WHERE EVER THEY WENT!! THE "CRIOCH" OF THE SCEAL ANYWAY WAS THAT THE BRAVE COW WAS FOUND "NOT VERY FAR AWAY" AND NO HARM DONE. I HEAR THE OLD SAYING "---- TILL THE COWS COME HOME" IS NEVER MENTIONED ROUND KILCAR MUCH THESE DAYS.
