JOHN 14:15-21

It's not easy to live as a disciple of Jesus in the modern world. It never was an easy thing. But for that reason Jesus has given us the Holy Spirit. When we are weak we must pray to the Spirit. The Spirit comforts us in times of sorrow, enlightens us in times of darkness, and makes us brave and strong in times of weakness.

The word Jesus used for the Spirit is the word 'Advocate', a legal term for one who supports a defendant at a trial. The Spirit will be the great defender of the disciples in time of trial. And the follower of Jesus can expect to suffer. But, as St Peter says (Second Reading), it is better to suffer for doing the right thing than for doing the wrong thing. Knowing that our cause is right gives us great strength. Besides, we have the example of Christ who, though innocent, suffered and died for our sins.

The apostles knew that Jesus loved them. And we know that Jesus loves us too. There is no mistaking love. You feel it in your heart. It is like a flame that warms your soul, energises your spirit and supplies passion to your life. Love is our connection to God and to each other. Love is the Climate in which the Christian lives.

'Love one another as I have loved you.' That sums it all up.
